SOZMAP – about us

WISH LIST - WHAT IF …

sozmap

- Meta-search offers in the social sector in Switzerland and Liechtenstein
- "user-friendly" THEME-FILTER SEARCH
- **Keyword search**

- Result display via **Google Maps** map and **profile lists**
- VISUALISATION via **availability** - colour traffic light system (green, yellow, red)

- **Multilingual** search - German, French, Italian, English

- Online queries - **24/7 via smartphone, tablet, PC** ...
- BASIC STANDARD DATA and **customisability** (own content on the part of the provider - text, PDF, Pictures, Videos ...)

- it is possible to transfer information digitally and transparently - "**COVID-suitable**" and without personal first contact

Your search platform for social services

sozmap enables the quick search of suitable offers in the social sector - whether by means of word search, multiple filter selection or map guidance. The results at the touch of a button are displayed by means of a map traffic light system (availability of the organisation) and by means of organisation profiles. Via smartphone, tablet or PC, select your language (DE, EN, FR, IT) and off you go with the free 24/7 online search. sozmap has recorded over 6,000 organisations in Switzerland and Liechtenstein and is constantly being expanded. sozmap supports digitalisation in times of COVID-19.

sozmap creates a benefit for:

- **Individual - Mr and Mrs Smith**
  - Clients and relatives
  - Students, trainees, job seekers
- **Expert/referrer**
- **Social service providers/organisations**
- **Charitable foundation** (funding project search)

Founder TEAM

Manuela Oehri, BSc FHO in Social Work
Sebastian Delarue, BSc FHO in Social Work
Oliver Oehri, lic.oec.HSG

The team has many years of experience in social education, social work, IT & programming, development of online search platforms as well as start-ups. The team has access to a wide network of actors in the social and business sectors and is highly motivated to make the world a little more transparent.
